

Training on Quality Seed Production & Marketing during 30th Nov-2nd Dec, 2017

National Seed Research and Training Centre (NSRTC) organized training on Quality Seed Production and Marketing during 30th November to 2nd December, 2017 at NSRTC campus. A group of twenty five farmers from Okha district of Odisha participated in the training. The training included a series of lectures delivered by experts on various topics. Trainees also visited Central Seed Testing Laboratory (CSTL) of NSRTC and ICAR-Indian Institute of Vegetable Research. On 2nd December, 2017 certificates were distributed to participants by Dr. Arvind Nath Singh, Director, NSRTC, Varanasi. During valedictory session Dr. U. S. Singh, Regional Co-ordinator, International Rice Research Institute (IRRI) was also present.
