

Farmers visit

A group of fifty farmers from Vadodara, Gujrat visited National Seed Research and Training Centre (NSRTC), Varanasi on 21st Dec, 2017. Dr. Arvind Nath Singh, Director, NSRTC welcomed the farmers and discussed about seed testing techniques. Further farmers visited Central Seed Testing Laboratory (CSTL) and got practical knowledge of seed testing techniques and equipments. Then there was an interaction session between farmers and NSRTC staff in which farmers asked different questions regarding difficulties faced in the agriculture.
