

National Training on “Advancement in Seed Testing” during November 12th-16th, 2018 at NSRTC, Varanasi

National Seed Research and Training Centre, Varanasi has conducted National training on “**Advancement in Seed Testing**”, during 12th-16th November, 2018 at NSRTC campus. The aim of the training was to improve the technical skills of trainees in seed testing. The training included a series of lectures, delivered by eminent scientists and experts on various topics on seed testing. A total of 30 participants from different states attended the training. Participants were exposed to a five day rigorous hands-on training and modalities in seed testing. Dr. J. S. Chauhan, Ex. ADG (Seed), ICAR, New Delhi was chief guest of inaugural session of training programme.
