The above courses are designed for the officers/officials who are engaged in seed production, seed quality regulation, Seed testing, Post Harvest Management, Seed Certification, Seed Law Enforcement programme at Central and State Government Organizations / Institutions, State Agricultural University's, ICAR Institutes, public and private seed sectors. The aim of the course is to provide hands-on training and up-date the knowledge and skills of those persons who are engaged as Seed Analysts, Seed Testing Officers, Seed Technologists, Seed Quality Regulators, etc. in various public and private organizations/Agencies.

The training course has been designed to provide participants with the knowledge and skills for effective seed production and assessment of seed quality aspects, understand better seed quality assessment system and improve the present system to meet international standards. Considering the above, participants should be

actual technicians/analysts/technologists/seed Inspectors/Seed Certification inspector with basic knowledge & experience in seed production/marketing/ quality regulation, testing, etc.

Each National Training and Workshop courses are limited to 25 & 30 participants respectively. The participants will be selected on the basis of eligibility and will receive separate communication.

Those participants who will be finally selected will receive official communication regarding training course and allow to attend programme after proper relieving from their parent organization. **The training course will be free for selected candidates and will include the course material, Breakfast, Lunch, Dinner and Session tea. Participants will bear travel expenses, accommodation charges of NSRTC Hostel and any other extra charges during the training period.**

Officers/officials involved in seed testing, quality regulation, certification, production, marketing can apply for the participation with the attached registration form and short curriculum vitae about their working experiences and technical duties which they performed in their laboratory/ working places. As the selection of the participant is on first come first serve basis, it is requested to send the registration form as soon as possible to the Director NSRTC, Varanasi. For any other information regarding training programme you may contact to Director NSRTC or may visit to our website: www.nsrtc.nic.in. Registration through online via e-mail on dir-nsrtc-up@nic.in is preferable.

Complete postal address to send the filled in registration form for the respective trainings/Workshops as per detailed below:
